CASHMERE

# Introduction

*100% cashmere and cashmere/silk blends that are perfect for all seasons and any occasion*

Sobha stands for luxurious knit and woven garments made from the highest quality Himalayan cashmere and pashmina.

Nothing quite finishes an outfit like the cozy warmth of a lightweight pashmina shawl or scarf. Perfect for all seasons and any occasion, our stunning collection of handcrafted shawls, scarves and wraps are made from the finest 100% cashmere and cashmere/silk blends.

## Our products

Our products begin with high quality cashmere goat wool. There is a multitude of varying grades of wool available, and many dealers of 'genuine' pashmina sell products made from fibers culled from the tops or sides of goats, rather than the soft underbelly, or even cotton or synthetic blends. We can guarantee the quality and authenticity of our products because we take rigorous steps to ensure our suppliers provide us with the best wool fibers and pure silk. You'll notice the difference in the warmth, softness and durability of Sobha pashmina and cashmere.

## Sweaters

From timeless classics to modern chic, our sweaters work for setting trends or just staying warm and cozy.

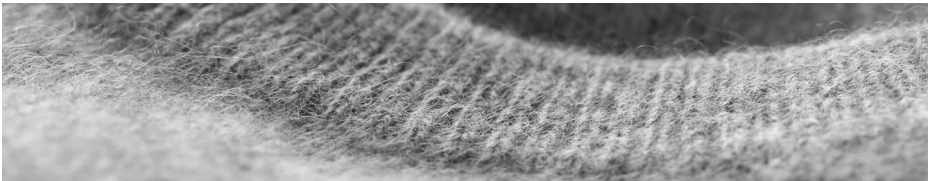

## Shawls

Pure pashmina woolen shawls to ward off the winter's chill, or light silken blends for cool summer evenings, our shawls come in an array of styles and finishes to suit any occasion.

## Scarves

Our scarves are the perfect finishing touch for your outfit. Make a bold statement with solid colors or create depth with textures and patterns.
